Dear Policyholder,

We have reviewed the above claim for treatment of coronary artery disease. Our review of the medical records shows that the insured person was diagnosed with hypertension in 2017, before the policy began, and this was not disclosed in the proposal form.

The claim is therefore repudiated under Clause 3.2 (Pre-existing diseases) of the policy wording, for non-disclosure of a material fact.

If you are not satisfied with this decision, you may write to our Grievance Redressal Officer.
