

SHIELD HEALTH INDIVIDUAL POLICY - POLICY WORDING

Synthetic document for testing. Not a real insurance product.

1. DEFINITIONS

1.1 "Sum Insured" means the amount shown in the Policy Schedule, which is the most the Company will pay for all claims in a Policy Year.

1.2 "Pre-Existing Disease" means any condition, ailment, injury or disease diagnosed by a physician, or for which medical advice or treatment was recommended or received, not more than 36 months before the date of commencement of the policy.

1.3 "Continuous Coverage" means uninterrupted cover under this policy, including cover ported or migrated from another health insurance policy, without any break.

1.4 "Grace Period" means thirty days after the premium due date, during which the policy may be renewed without loss of continuity.

2. COVERAGE

2.1 The Company will pay for in-patient hospitalisation of more than 24 consecutive hours, up to the Sum Insured.

2.2 Room rent is payable up to 1% of the Sum Insured per day. Where a higher room category is chosen, associated medical expenses are payable in the proportion that the eligible room rent bears to the actual room rent. This proportionate deduction does not apply to pharmacy, consumables, implants, medical devices or diagnostics.

2.3 Day care procedures listed in Annexure I are covered even where hospitalisation lasts less than 24 hours.

2.4 A co-payment of 10% applies to every admissible claim where the insured person is aged 61 or above at the time of admission.

3. WAITING PERIODS

3.1 Initial waiting period: no claim is payable for an illness first diagnosed within 30 days of the first policy commencement, except a claim arising from an accident.

3.2 Pre-existing diseases: expenses related to a Pre-Existing Disease declared in the proposal form are covered after 36 months of Continuous Coverage.

3.3 Specified diseases: the following are covered only after 24 months of Continuous Coverage, unless caused by an accident: cataract, hernia, benign prostatic hypertrophy, knee replacement, gall bladder stones and sinusitis.

4. EXCLUSIONS

4.1 Cosmetic or plastic surgery, unless needed for reconstruction after an accident, burns or cancer.

4.2 Treatment for alcoholism, drug or substance abuse.

4.3 Spectacles, contact lenses and hearing aids.

4.4 Experimental or unproven treatment.

5. CLAIMS

5.1 The insured person or the hospital shall inform the Company within 48 hours of an emergency admission, and at least 48 hours before a planned admission.

5.2 Cashless requests are decided within one hour of receipt. For reimbursement claims, the Company or its TPA will obtain the required documents from the hospital.

5.3 Where a claim is rejected, the Company will state the reasons in writing with reference to the specific clause of this policy.

6. MORATORIUM

6.1 After 60 continuous months of coverage, no claim under this policy shall be contestable on grounds of non-disclosure or misrepresentation, except on grounds of established fraud.

7. GRIEVANCES

7.1 A grievance may be sent to the Grievance Redressal Officer at grievance@shieldhealth.example. If it is not resolved, the policyholder may approach the Insurance Ombudsman.
